Training Center and School
Fort Devens, Massachusetts

Dear Col. Frame:

With reference to your letter of 24 November 1961, I shall be glad to give a talk on "The National Intelligence Survey" to the student officers and members of the staff and faculty, USASA Training Center and School, for the program period 0830-1130 on 19 April 1962.

During the course of my talk I should like to have projected for the audience several Vu-Graph slides (approximately 8" x 10") showing organizational and other charts. If such a projector is available, I shall bring these Vu-Graphs with me.

Sincerely,
